ANNOUNCEMENT

WEST TEXAS AGRICULTURAL CHEMICALS INSTITUTE SCHOLARSHIPS

The West Texas Agricultural Chemicals Institute (WTACI), founded in 1953, is a non-profit organization of dealers, industry representatives, producers, scientists, educators, and agribusiness members who support educational and research programs promoting the safe and efficient use of agricultural chemicals. WTACI awards academic scholarships to undergraduate and graduate students from universities in the West Texas area and to those students from the West Texas area attending the college of their choice. Since 1983, the WTACI has awarded over $120,000 in scholarships to 122 students pursuing agricultural related degrees. Scholarships awarded in 2013 totaled $4,500. The 2014 Scholarships will be presented at the Institute's annual meeting on September 9, 2014 in Lubbock, Texas.

Specific criteria for scholarship selection are as follows:

1. Agriculture-related major

2. Classification – undergraduate – sophomore (with >30 hours), junior, senior or graduate (with at least one semester in the program).

3. Academic requirements = at least a 3.0 GPA on a 4.0 scale.

4. Plan to actively pursue a career in an agricultural-related field.

5. Recipient can qualify for scholarship only once per college degree.

6. Recipient must attend annual meeting to personally receive the award.

7. Scholarship funds must be used toward the advancement of the recipient's formal education (*failure to utilize received moneys in this matter may result in forfeiture of this educational scholarship).

8. Three letters of reference must accompany the application (areas to include academic performance, character, leadership qualities, etc.).

9. The deadline for application is June 1, 2014. Recipients will be notified by July 1, 2014. The application should be filled out completely and mailed along with official transcripts and letters of reference to the Chairman of the West Texas Agricultural Chemicals Institute Scholarship Committee (address provided in section VI of application).
